# 101

# INTO ACTION

# CARDET, BFU, BFI

Greening “Into Action” Segment

- BFI 3.1 Taking the Initiative
- CARDET 3.2 Planning and Management
- CARDET 3.3 Coping with Uncertainty, ambiguity and Risk
- BFI 3.4 Taking the initiative
- CARDET 3.5 Learning through experience

# INTO ACTION

## GUIDELINES

- Emphasize **impact** along with **profitability** and viability
- Adapted Descriptors provide the guidelines to the changes
- Kept the changes to the EntreComp to a minimum
- 3 feedback rounds

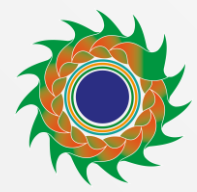

# IO4 MASSIVE OPEN ONLINE COURSE

The Green for Future MOOC will be the one stop shop that will connect an interactive the Greened EntreComp to Business Practices and the InService Training for Academics.

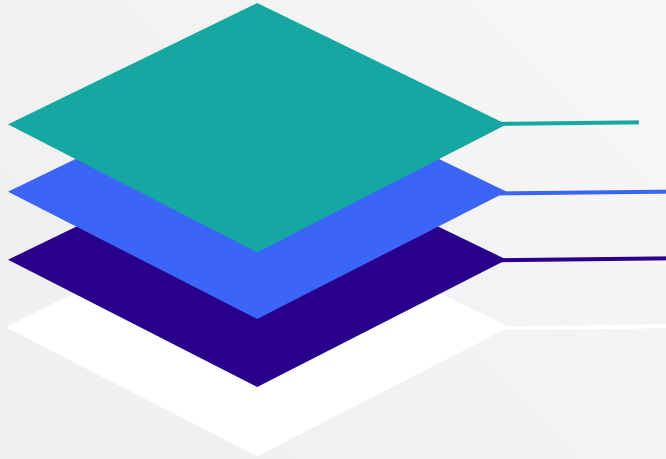

- It needs to look simple and intuitive
- It needs to be well thought out and to connect the main output IO1 to the practices (IO2) and the curriculum (IO3)

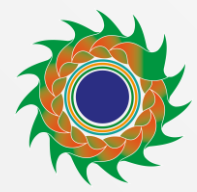

# IMPACT+ FOR GREEN FOR FUTURE MOOC

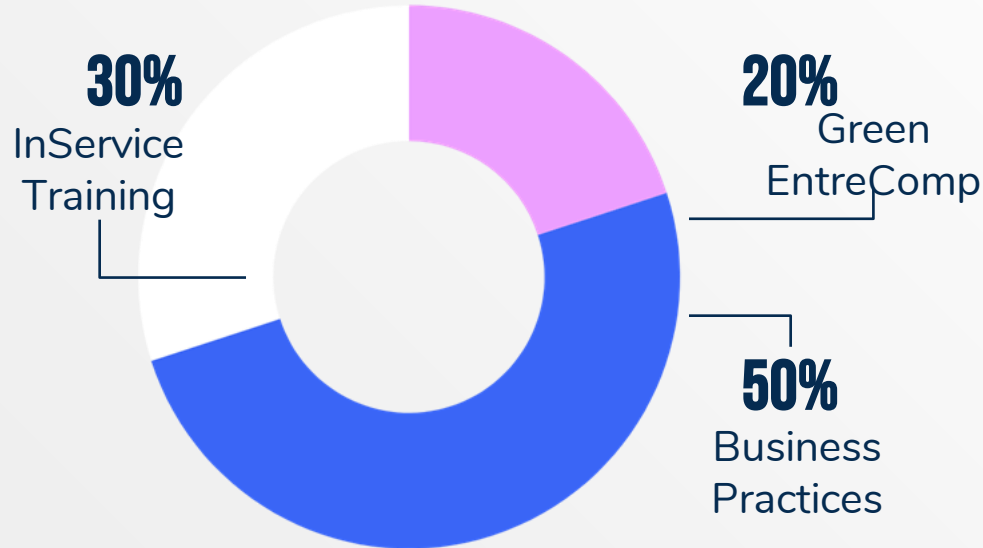

Each partner needs to think what would be best for wide adoption of the new EntreComp

- In term of adoption in our organization/projects
- In terms for academic adoption
- In terms of functional and distant learning for learners

# MOOC DIFFERENT ELEMENTS AND FOCUS

An interactive representation of the Greened EntreComp 

Each competence connected to the InService Training Curriculum

Business Practices identified and referred to both back to EntreComp and InService Training 

Inter-relation (amount of work) between the three elements
